

HARDI CONTROLS

Force Measurement Solutions

Specialist in :

**LoadCell, Torque Sensor, Indicators, Control Panel,
Vibrator, Tank Weighing, On Board Weighing,
Conveyor Weighing, SPM Machines, Flow Meters, PLC Programming &
Automation, Batching Plant, Mounting Kit, AMC & Services.**

Loadcell :

Mounting :

Digital Indicators :

Jumbo Display

Junction Box

LVDT

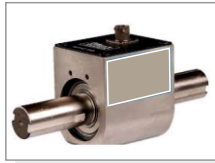

Sensor

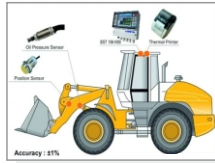

Reaction Torque

Level Transmitter

Rotary Torque Transducer

On Board Weighing

Pneumatic Vibrators

Flow Meters

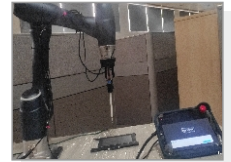

Silo Weighing

Testing Machine

Jumbo Bag

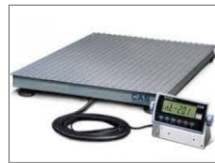

Robotic Application

Forklift Weighing

PLC / Scada Project

Platform Weighing

Conveyor Weighing

Agri Testing

Filling Machine

Bagging Machine

Crane Scale

Trolley Weighing

Tank Weighing Machine

Silo Weighing

Weigh Pad

Roller Conveyor

Conveyor Weighing

Crane Weighing System

Check Weighing

Actuator Valve

Electro Magnetic Vibratic Feeder

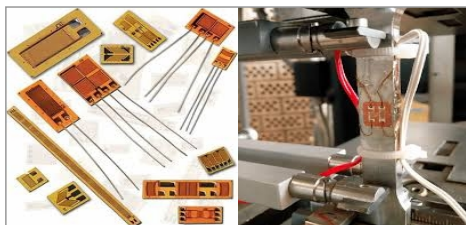

Weighing Balance

Magnets

UTM Machine

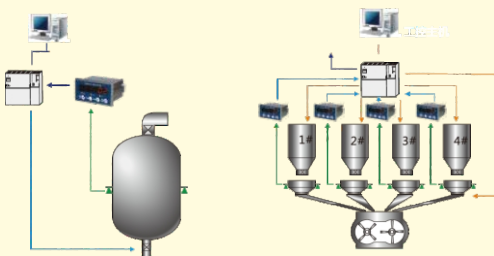

Strain Gauge Pasting

Technology Process Engineering for Weighing / Vibration / Sensor

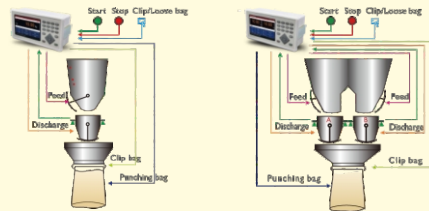

Batching Plant

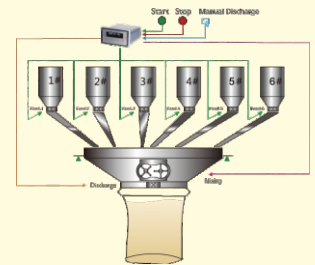

- AMC will be provided for any weighing based system.
- Service can be provided for any make loadcell and indicator.
- Batching Plant Total Solution.
- PC based Software.
- PLC Programming based and Control Panel.

Weighing Process

Bagging Process

Batching Process

Unmanned Weigh Bridge

HC HARDI CONTROLS

📍 No.118, Gajalakshmi Nagar,
Vellanur, Avadi, Chennai - 600 062.
